

The Colors of Autumn

Name: _____

Red like the apples on the apple tree,

Black like the blackberries – pick some for me!

Orange like the pumpkins, smooth and round,

Brown like the leaves resting on the ground.

Purple like the clouds getting ready to rain,

Grey like the raindrops swirling into the drain.

Yellow like my rain boots – splashing is fun!

But something is missing. Where ARE you, sun?

Here is a whimsical poem about some colors seen in Fall/Autumn. I have included a color copy in reader format, a b/w copy in reader format, and the poem on one page, which can be illustrated by the children.

I add FREE items often. Follow on TpT and Pinterest to get them as soon as they are listed.
